Pacific Office Solutions to receive a U.S. Department of Energy Small Business Award

Pacific Office Solutions has been awarded the Department of Energy's Woman-Owned Small Business of the Year award. The company will be receiving their award the morning of May 22, 2018, at the 17th Annual Department of Energy Small Business Forum & Expo in Houston, Texas.

The award recognizes the performance of a Woman-Owned small business who demonstrates innovative ideas and creative solutions, while providing cost, time and manpower savings towards DOE's overall mission objectives.

Pacific Office Solutions is a premier provider of office and technology supplies, with more than 28-years of federal government contracting experience. Their offices are located in Richland, Yakima and Seattle, and specialize in office, facility and industrial supplies, computer and technology equipment, and office furniture.

The company was nominated by Washington River Protection Solutions, LLC, who applauded their customer service and focus on diversity in the workplace.
